Crypto Trading

Why Crypto:

Volatility: the market moves alot within a day allowing for opportunities to make money on these moves.

Improved Liquidity: this refers to the ability of an investment to be turned into cash.

Guaranteed: Once your learnt the skill of trading crypto you will always have a potential source of income

Own you Time: The crypto market is open 24/7 ,which means you can trade full time of in your free time for some extra cash

DOS AND DON'TS

FOR CRYPTO TRADING

DON'TS

Don't buy crypto
without learning
about it

Don't invest more
than you can
afford to lose
