Some Rules for Option Trading

- ① 9:15 to 9:30 AM Trade को Avoid (specially for Beginners)
(Reason - High volatility or profit Booking chances for BTST traders)
- ② 9:30 - 12:00 → First Half (Volatility)
- ③ 12:00 - 1:30 → Avoid this time (Sideways & premium decay)
- ④ 1:30 - 3:30 → Second Half
- ⑤ Stay smart at this time → 2:20 | 2:45 | 3:00
- ⑥ 3 PM Candle (Special Moment (Profit Booking))
- ⑦ Global Sentiment Keep in Mind.
- ⑧ Don't trade "Against Trend". (Trend is your Friend)
- ⑨ If Market is in uptrend respect the Support or think about pullback at EMA 20.
- ⑩ If Market is in downtrend respect the Resistance. ~~and~~
- ⑪ Always Keep in Mind -
Don't try to time the Market like -
(अब Market इतना ^{or} up चला गया अब गिरेगा।
अब Market इतना नीचे चला गया अब उठेगा।
- ⑫ Always Use "Stop - Loss".
- ⑬ Don't Loose too much on Single trade

Rules Not to Be Broken:- SAFEST TRADER

① Fix your No. of Trades (²⁻³~~3-4~~ Maximum)

② Fix your Loss limit for day.
If limit reached to your loss limit
Close the system.

③ On Expiry Reduce your Quantities
(If Beginner try to avoid that expiry or
trade on next Expiry).

④ If you booked profit in first half
then avoid overtrading. (मैसे घर लेकर जाओ)

⑤ If you booked loss in first half
then try not to cover on that day
otherwise loss may be big which you
can't afford.

⑥ Cut your losses and try to hold
winning trade.

SWING TRADING STRATEGY

(OR)

INTRADAY STOCKS STRATEGY

Favourable Conditions:-

- ① Time Frame should be:- 1D and 4H/1H
- ② Volume should be High
- ③ Stocks should above 50 and 200 EMA
- ④ For F&O in stocks you have to use limit order for Buy and sell because of liquidity issues.
- ⑤ Stocks Expiry is Monthly Expiry not weekly like Nifty and BN. (Last Thursday of Month)
- ⑥ For Better return Market should be Positive sentiment (Nifty 50 and Sensex in Green).
- ⑦ For Screeners of stocks some important websites:-

- ① Chartink
- ② Option Box for Sectors stocks.
- ③ Ticker tape
- ④ Screeners in

- ⑧ Don't try to compare profit of Swing stocks to F&O in Nifty 50 & BN.

Just look at Return On Investment (ROI)
